Internationally Accredited Sound Healing Practitioner Training in Gibraltar

An immersive training week in the Mediterranean

Monday 25th – Friday 29th May 2026

Sound Healing School UK
RAISE YOUR VIBRATIONAL WISDOM

Sound Healing School UK is coming to Gibraltar!

Join us for a rare opportunity to train in person as an Internationally Accredited Sound Healing Practitioner in a beautiful Mediterranean setting.

This immersive five-day training, with a short online preparation course included in advance, is ideal for Wellbeing Professionals as well as those feeling called to begin a new path – whether to deepen personal practice, expand existing skills or train for a new holistic career.

Train with Founder Becky Barabich

Your Gibraltar training follows the **Sound Healing School UK Ltd. Step Activation Process** to become an Internationally Accredited Sound Therapist.

Activation 1: The Basics of Sound Healing (Online)

An introductory course delivered as 3 x 2hr sessions online, with completion compulsory to progress to Activation 2.

Dates:

5th May • 12th May • 19th May

7–9pm GMT

Recordings are available to watch back if you are unable to attend live.

Week 1: History and Traditions

Week 2: Technical Aspects of Sound Healing

Week 3: Spiritual Aspects of Sound Healing

Activation 2 and 3 take place in person in Gibraltar, 25–29 May 2026.

Your In-Person Training Pathway

Activation 2: Group Certificate in Sound Healing

An in-person course over 2 days that qualifies you to use sound therapy for group sessions, with completion compulsory to progress to Activation 3.

Activation 3: 1:1 Sound Therapy Diploma

An in-person course over 3 days plus Case Studies*, which qualifies you to provide accredited 1:1 sound therapy.

The Diploma also includes an optional **Mindful Marketing Workshop on zoom**, free for Diploma students.

The in-person training in Gibraltar is supported by local Diploma Graduate Nicole Stein-Jezulin, providing additional on-the-ground student support during the week.

**Case studies are completed after the training week and reviewed over zoom when you are ready.*

What You Will Learn

This training blends practical skills, personal development and accredited assessment, supporting professional practice alongside personal evolution.

Internationally Accredited Training

Sound Healing School UK Ltd. is an Internationally Accredited Training Provider, offering **professional qualifications that are recognised and eligible for insurance.**

Accreditation is provided by **IPHM (International Practitioners of Holistic Medicine)**, ensuring high standards of teaching, assessment and professional practice.

Students progress through the **Step-Activation Process**, gaining the following recognised certifications:

- **Activation 1:** The Basics of Sound Healing
- **Activation 2:** Certificate in Sound Healing
- **Activation 3:** Sound Therapy Diploma

These qualifications support professional practice within Holistic and Complementary Wellbeing settings.

Insurance & Professional Practice

Graduates are encouraged to obtain **professional insurance, subject to individual provider terms.**

Ongoing Professional Recognition

Sound Healing School UK Ltd. qualifications are widely recognised within the holistic sector and supported by an active graduate community.

Graduates may also apply to join the **Accredited Online Directory of Sound Healers.**

Accredited
Training Provider

Investment

This training is offered as a **Complete Diploma Pathway**, following the Sound Healing School UK Ltd. **Step-Activation Process**.

Most students choose to complete the full pathway (Activations 1–3), qualifying as a **Sound Therapy Practitioner**.

Full Diploma Pathway (Activations 1–3)

Recommended pathway

- **£1750** paid in full
- **£2000** by instalments (2–9 months)

Both payment options offer a saving compared to booking the Activations separately: 30% when paid in full and 20% when paid by instalments.

Certificate Pathway Option (Activations 1–2)

For those who choose not to progress to Diploma level, it is possible to complete the pathway to Certificate stage.

- **£1250** paid in full
- **£1500** by instalments (2–9 months)

The Basics of Sound Healing (Online)

Activation 1 may also be booked as a standalone introductory course.

- **£250**

The Diploma includes an optional 4-hour Mindful Marketing Workshop.

VAT

VAT is included in all prices stated above.

Instruments are not required in advance. Guidance is provided, with the option to purchase after training.

What Our Students Say

Sound Healing School UK Ltd. is proud to currently have 88 five-star Google reviews.

A fabulous Sound Healing School.

So pleased that I chose Sound Healing School UK. The courses are fantastic, are thoughtfully created and the teaching styles with all of the teachers is authentic. **They bring out the best in everyone.**

Really knowledgeable, friendly, down to earth and spiritual. A wonderful journey thank you.
